I'm here to save you girl,

I want to grow together.

You know you want me baby,

They call me superman,
I'm here to rescue you,
I want to save you girl,
come be in Shady's world,
(Dina Rae) Ooooh boy you drive me crazy,
(Eminem) Bitch you make me hurl
(Verse one) They call me superman,
leap tall hoes in a single bound,
I'm single now, got no ring on this finger now,
I'll never let another chick bring me down in a relationship,
save it bitch, baby said
You make me sick,
Superman ain't savin' shit,
girl you can jump on Shady's dick,
Straight from the hip,
cut to the chase,
I tell em all fuckin slut to her face,
Play no games,
say no names,
ever since I broke over what's her face,
I'm a different man,
kiss my ass, kiss my lips, bitch why ask
Kiss my dick, get my cash
I'd rather have you lick my ass,
Don't put out, I'll put you out.
Won't get out, I'll push you out,
Puss blew out, poppin' shit,
wouldn't piss on fire to put you out
Am I too nice
Buy you ice
Bitch if you died,
I wouldn't buy you life,
What you tryin' to be my new wife
What you Mariah
Fly through twice
(Bridge) But I do know one thing though,
bitches, they come they go.
Saturday through Sunday, Monday, Monday through Sunday yo
Maybe I'll love you one day, maybe we'll someday grow,
till then just sit your drunk ass on that fuckin' runway hoe
(Chorus B) Cuz I can't be you Superman,
can't be your Superman, can't be your Superman,
can't be your Superman,
I can't be your Superman,
can't be your Superman, can't be your Superman,

your Superman, your Superman
(Verse two) Don't get me wrong,
I love these hoes, it's no secret, everybody knows,
Yeah we fucked, bitch so what,
that's about as far as your buddy goes,
We'll be friends, I'll call you again,
I'll chase you around every bar you attend,
Never know what kind of car I'll be in,
we'll see how much you'll be partyin' then,
You don't want that , neither do I,
I don't want to flip when I see you with guys,
Too much pride, between you and I,
not a jealous man, but females lie,
But I guess that's just what sluts do,
how could it ever be just us two
I never love you enough to trust you,
we just met and I just fucked you
(Bridge) But I do know one thing though,
bitches, they come they go.
Saturday through Sunday, Monday, Monday through Sunday yo
Maybe I'll love you one day, maybe we'll someday grow,

I'm not phased, I hang around big stars all day,
I don't see what the big deal is anyways,
you're just playin' old Marshall to me
Oooh yah girl run that game, Hallie Jade,
I love that name, love that tattoo, what's that say
Rot in pieces Uh, that's great
First off you don't know Marshall,
at all so don't grow partial,
that's ammo for my arsenal,
I'll slap you off that barstool,
There's goes another lawsuit,
leave handprints all across you,
good Lordy whoadie,
you must be gone off that water bottle,
You want what you can't have,
ooh girl that's too damn bad,
don't touch what you can't grab,
end up with two backhands,
Put anthrax on a tampax,
and slap you till you can't stand,

Girl you just blew your chance,
don't mean to ruin your plans
