

# Anne-Marie, Niall Horan , Our Song

[Verse 1: Niall Horan]

I'll be honest, I'm alright with me  
Sunday mornings, in my own bedsheets  
I've been waking up alone, I haven't thought of her for days  
I'll be honest, it's better off this way

[Pre-Chorus: Niall Horan]

But every time I think that I can get you out my head  
You never ever let me forget 'cause

[Chorus: Niall Horan & Anne-Marie]

Just when I think you're gone, hear our song on the radio  
Just like that, takes me back to the places we used to go  
And I've been trying but I just can't fight it  
When I hear it I just can't stop smiling  
I remember you're gone, baby, it's just the song on the radio  
That we used to know

[Verse 2: Anne-Marie]

I'll be honest, I'm alright with me  
Sunday mornings, in my own white tee  
I've been waking up alone  
I haven't thought of him for days  
I'll be honest, ha  
It's better off this way

[Pre-Chorus: Niall Horan & Anne-Marie]

Every time I think that I can get you out my head  
You never ever let me forget 'cause

[Chorus: Niall Horan & Anne-Marie]

Just when I think you're gone, hear our song on the radio  
Just like that, takes me back to the places we used to go  
And I've been trying but I just can't fight it  
When I hear it I just can't stop smiling  
I remember you're gone, baby, it's just the song on the radio  
That we used to know

[Bridge: Anne-Marie & Niall Horan]

Just when I think you're gone, hear our song on the radio  
Just like that, takes me back to the places we used to go

[Chorus: Niall Horan & Anne-Marie]

And I've been trying but I just can't fight it  
When I hear it I just can't stop smiling  
I remember you're gone, baby, it's just the song on the radio  
And I've been trying but I just can't fight it (Ooh)  
When I hear it I just can't stop smiling (Ooh)  
I remember you're gone, baby, it's just the song on the radio  
That we used to know
