Franz Ferdinand, Lazy Boy

I’m a lazy boy
I’m a lazy boy
I’m a lazy boy
never cared enough in time
I enjoy
being a lazy boy
lying in your boy
thinking of how
a lazy boy loves you

am I gonna get up?
am I gonna get up?
get up?
never!
am I gonna get up?
am I gonna get up?
get up?
never!
am I gonna get up?
am I gonna get up?
get up?
never!
am I gonna get up?
am I gonna get up?
get up?
never!

I’m a lazy boy
I’m a lazy boy
Always be a lazy boy
I’m a lazy boy
yes, a lazy boy
lazy in the evening boy
I’m a lazy boy that loves you

am I gonna get up?
am I gonna get up?
get up?
never!
am I gonna get up?
am I gonna get up?
get up?
never!
am I gonna get up?
am I gonna get up?
get up?
never!
am I gonna get up?
am I gonna get up?
get up?
never!

I’m a lazy boy
I’m a lazy boy
I’m a lazy boy
never cared enough in time
I enjoy
being a lazy boy
lying in your boy
thinking of how
