Foxes, If You Leave Me Now

Go
You won't go
If you leave me now
I can heal somehow

Back
To a time
When I knew myself
When I knew myself

Give me a reason why you choose
to always hurt my soul
I gave you everything
Oh baby please
I have to know
Just answer me the question
are you going to stay or go
Stay or go

Oh, no
please don't go
if you leave me now
if you leave me now
won't you say
you won't go
if you leave me now
if you leave me now

Back
To a time
When I knew myself
But no you won't Give me a reason
why you choose to always hurt my soul
I gave you everything
Oh baby please
I have to know
Just answer me the question
are you going to stay or go
Stay or go
stay or go

Oh, no
please don't go
if you leave me now
if you leave me now
Oh just say
please don't go
if you leave me now
if you leave me now

Oh just say
If you leave me now

won't you stay
please don't go
if you leave me now
I can heal somehow

Stay, please don't go
If you leave me now
