Boris vs uamee, Parking Lot

haha
parking lot
this our spot

come on uamee
let’s show how it is

black Volga limousine
we buy beer
whit money for gasoline
what are we doing under people’s windows
put on music and lets chill

in the parking lot
the parking lot
in the country yard
in the parking lot
the boys are agile

sit in car we wondering
was it iesel or petrol

deep in trunk of blyatmobile
parking lot
no morons

in the parking lot
we businessmen like chauffeurs

in the parking lot
it’s not coffee in our cups

in the parking lot
the parking lot
in the country yard
in the parking lot
the boys are agile

some boys are suckers
but we sit in the parking lot
bass is hittong form the boot
while you eat the carrot

in the parking lot
the parking lot
in the country yard
in the parking lot
the boys are agile

today this parking lot our home
right now parking lot is home

front of local hippodrome
parking now, business later

in the parking lot
we businessmen like chauffeurs

in the parking lot
it’s not coffee in our cups

boys, where is the bass?
where is the drop?

give me the drop?
give me the drop?
give me the drop?
