Bring Me The Horizon, The House of Wolves

[Verse 1]
Show me a sign, show me a reason to give
A solitary fuck about your goddamn beliefs
I'm going blind, but one thing's clear
Death is the only salvation you'll feel

[Chorus]
Brick by brick by brick
Brick by brick by brick

[Verse 2]
What you call faith, I call a sorry excuse
Cloak and daggers murder the truth
The bitter taste, there's nothing else
I'll bow for your king when he shows himself

[Chorus]
Brick by brick by brick
These walls begin to cave in
The house of wolves you built
Whispers in a thousand tongues

[Verse 3]
Show me your face, show me a reason to think
My soul can be saved if I sell you my sins
I'm going blind, but one thing's clear
Death is the only salvation for me

[Chorus]
Brick by brick by brick
These walls begin to cave in
The house of wolves you built
Whispers in a thousand tongues

[Post-Chorus]
The house of wolves you built
The house of wolves you built
The house of wolves you built
Will burn just like a thousand suns

[Breakdown]
And when you die, the only kingdom you'll see
Is two foot wide and six foot deep, yeah!
And when you die, the only kingdom you'll see
Is two foot wide and six foot deep!
And when you die, the only kingdom you'll see
Is two foot wide and six foot deep, oh!

[Pre-Chorus]
Brick by brick by brick
Brick by brick by brick

[Chorus]
Brick by brick by brick
These walls begin to cave in
The house of wolves you built
Whispers in a thousand tongues
Brick by brick by brick
These walls begin to cave in
The house of wolves you built
Will burn just like a thousand suns

[Outro]
You said you want me

Now I'm here! Now I'm here! Now I'm here!
You said you want me
Now I'm here! Now I'm here! Now I'm here!
