

AronChupa, Little Sis Nora, Rave in the Grave

las night an angel come to say
I am sad, your grandma passed away!
but now, my grandma got a rave
my grandma got a rave
my grandma got a grave!

rave in the grave!

my grandma got a rave
my grandma got a rave
my grandma got a grave!
rave in the grave!

granny wouldn't mind when she passed away
and now I got it all explained
cause now my grandma got a rave
my grandma got a rave
my grandma got a grave!

rave in the grave!
rave in the grave!
rave in the grave!
rave in the grave!

my grandma got a rave
my grandma got a rave
my grandma got a grave!
rave in the grave!

don't you worry about the dead life
you will be in the hands of death
and death is pretty damn nice
so won't you take a breath

we don't wanna be alive
no!
we don't wanna be alive
no
we don't wanna be alive
no we just wanna die!
