Brooke Candy, Living Out Loud (ft. Sia)

25 ounces in bottle of wine
24 hours it’s a day at a time
23 lived a hell of a life
22 such a blur
It’s passing me by
21 I caught a glimpse of the light
20 drinks later in the back of a ride
19 momma kicked me outta the house
18 minutes until you bail me out
17 magazine was telling the truth
When they said we all have issues

Just thinking oit loud
Screaming so loud
Foolish and proud
Living out loud /2x
Out loud

No, nothing can stop me now
Gonna live out loud
And no one can break me down
Gonna live out loud
I;m screaming my dreams out
Gonna live out loud
Coz living out loud
Is the only way I know how /3x

16 candles, yes, I’m faking my age
15 minutes till they need mo on stage
14 k I would have done it or free
13 roses ands they bought them for me
12 steps program but I don’t like walk
11 wet kisses just to get me to talk
10 fingers when you’re holding my hand
9,8,7 she lives

Just thinking oit loud
Screaming so loud
Foolish and proud
Living out loud /2x
Out loud

No, nothing can stop me now
Gonna live out loud
And no one can break me down
Gonna live out loud
I;m screaming my dreams out
Gonna live out loud
Coz living out loud
Is the only way I know how /3x
