Halsey, Strangers (ft. Lauren Jauregui)

She doesn’t kiss me on the mouth anymore
Cause it’s more intimate, the she thinks we should get
She doesn’t look me in the eyes anymore
Too scared of what she’ll see
Somebody holding me

When I wake up all alone
And I’m thinking of your skin
I remember /2x
What you told me

Said that we’re not lovers
We’re just strangers
With the same damn hunger
To be touched
To be loved
To feel anything at all
/2x

She doesn’t call me on the phone anymore
She’s never listening, she says it’s innocent
She doesn’t let me have control anymore
I must’ve crossed a line
I must’ve lost my mind

When I wake up all alone
And I’m thinking of your skin
I remember /2x
What you told me

Said that we’re not lovers
We’re just strangers
With the same damn hunger
To be touched
To be loved
To feel anything at all
/2x

I miss the mornings with you laying in my bed
I miss the memories replaying in my head
I miss the thought of a forever, you and me
But all you’re missing is my body

So we’re not lovers
We’re just strangers
With the same damn hunger
To be touched
To be loved
To feel anything at all
/2x

To feel anything /2x
You lost it /3x
