

# Ava Max, OMG What's Happening

OMG What's Happening  
though i was fine  
i told you  
i don't need your love 3, 4 thousand times  
But that's a lie  
No i can't look you in the eye  
Oh I  
Oh I

So i did everything  
To push you all away  
And finally you left  
And now i am missing you  
Like crazy  
And i cry  
No i can't sleep alone in the night

Oh I  
Oh I

Look what you've done  
Look what you've done to me  
O got everything i wanted  
Bot you're everything i want

Look what you've done  
didn't know i was alone  
till i was running  
to your head  
like magnets

ohm my god  
What's Happening  
Look what you've done

Look what you've done  
Look what you've done to me  
O got everything i wanted  
Bot you're everything i want

I wanna tell you things  
And show you the rest  
Broadcast my emotions  
On the radio  
And take tchem off my chest

Hope you're listening  
Are you?  
Are you?

I am spinning around in circles  
spinning round in circles  
writing in my jurney 'bout you  
Wonder if it's over  
I aint getting closer  
Think it's time  
I told you the truth

Hey, wait a minute  
Look what you've done

Look what you've done  
didn't know i was alone  
till i was running

to your head  
like magnets

ohm my god  
What's Happening  
Look what you've done

Look what you've done  
Look what you've done to me  
O got everything i wanted  
Bot you're everything i want
