

# Ava Max, Torn

[Verse 1]

You, you take all of the li-li-light away  
But, but then you give me fireworks  
I, I think of leaving ni-ni-night and day  
But, but then you always find the words

[Pre-Chorus]

You're contagious, baby  
Love when you love me, hate me  
The way you rock, rock my body lately  
You set the rain on fire  
I wish the lows were higher  
Wish I could stop, stop, stop to save me

[Chorus]

Oh, I wanna stay, wanna walk out the door  
Oh no, right now baby I'm torn  
I can't get enough, can't take anymore  
Oh no, right now baby I'm torn  
You dry my tears and make it pour  
You show me love and give me war  
I can't get enough, can't take anymore  
Oh no, right now baby I'm torn

[Verse 2]

I, I always want to run, run, run away  
But, but then I crawl into your arms  
It, it's like we're starting drama every day  
But, but you know that's my favorite part

[Pre-Chorus]

You're contagious, baby  
Love when you love me, hate me  
The way you rock, rock my body lately  
You set the rain on fire  
I wish the lows were higher  
Wish I could stop, stop, stop to save me

[Chorus]

Oh, I wanna stay, wanna walk out the door  
Oh no, right now baby I'm torn  
I can't get enough, can't take anymore  
Oh no, right now baby I'm torn  
You dry my tears and make it pour  
You show me love and give me war  
I can't get enough, can't take anymore  
Oh no, right now baby I'm torn

[Post-Chorus]

(Torn, baby I'm torn, torn)  
(Torn, torn, baby I'm torn, torn)

[Bridge]

Torn from the pages out of our book  
A beautiful tragedy  
I'm torn in between heaven and hell  
'Cause baby when I'm with you  
I just don't know where I'd rather be!

[Chorus]

Oh, I wanna stay, wanna walk out the door  
Oh no, right now baby I'm torn  
I can't get enough, can't take anymore  
Oh no, right now baby I'm torn

You dry my tears and make it pour  
You show me love and give me war  
I can't get enough, can't take anymore  
Oh no, right now baby I'm torn
