HEWRA, NØ KOLOR

chill around us
strange from the fallout
blow, bang, make this fucking bailout
i don't needs no colors
i don't needs no colors
chill around us
strange from the fallout
blow, bang, make this fucking bailout
i don't needs no colors
i don't needs no colors

damages what’s damage
no guns, nights style
elbows, arm bows
splash in, and splash out
damages what’s damage
no guns, nights style
elbows, arm bows
splash in, and splash out

ball out
