

# Avicii, You Be Love (ft. Billy Raffoul)

it's you and your world  
and I'm caught in the middle  
I cut the edge of the knife  
and it hurts just a little

and I know /4x  
that I can't be your friend  
it's my head  
or my heart and  
I'm caught in the middle

my hands are tied  
but not tied enough  
you're the high that I can't give up  
oh Lord, here we go!

myself tomorrow  
but I'm on my way tonight  
I might hate  
and the bottom of a bottle  
you're the poison um the wine  
and I know  
I can't change you  
and I  
I won't change  
myself tomorrow  
but I'm on my way tonight  
let's be lonely together
