Busta Rhymes, Slide

Oh, y'all niggas actin' like we ain't have the seasoning still?
Y'all niggas is actin' like we ain't still feeding the streets the full course meal?
Fuck the appetizer, fuck the hors d'oeuvre
Y'all thought we couldn't get the club back?
Watch yourself, I know
Watch yourself, I know
Nigga, I own the lease of the club, nigga (Did I stutter?)
I know
Wa-wa-watch yourself
Watch yourself, I know
Watch yourself, I know
Test move, you told me to skate on 'em? (Did I stutter?)
I know

Wa-wa-watch yourself

Slide (Ayy)
Watch yourself, I know
Watch your step

Back to causing another cardiac
Wearing Louis while sipping some Louis Cognac
I know you vexed how I'm making your little shorty act
Still on the corner, my nigga, you really corny, black
Ayo, Teddy, you really brought back
It's criminal how you called me to get up on a track
In the club, we throwin' another rack
Bitch, I'm the nicest, you know it's a motherfuckin' fact
Yeah, what we doin'? What we doin'? What we doin', nigga?
Wash you niggas just like a laundromat
And flood the scene, they conveniently get 'em on the crack

(Ayy)
Watch yourself, I know
Watch your step
Watch yourself, I know
Slide (Did I stutter? Ayy)
I know
Wa-wa-watch yourself
Slide (Ayy)
Watch yourself, I know
Watch your step
Watch yourself, I know
Slide (Did I stutter? Ayy)
I know
Wa-wa-watch yourself

'Nother season, another heart attack
Kill every country, no need to look at the almanac
Throw the heat in the street, you see I'm the quarterback
Ayy, homie cannot believe me, he ain't gon' wanna scrap
I'm on my Biggie with Timberlands and a lumberjack
With illest bangers, I'm hitting you with another batch

See I'm the problem whenever he hear me on a track
I fuck 'em up, decorate they plate with another plaque
Suit and civil, how niggas wanna act
See, I'm the nicest, in case you needed another fact
Don't get caught up inside another trap
See how we comin' and givin' you all another slap

(Ayy)
Watch yourself, I know
Watch your step
Watch yourself, I know
Slide (Did I stutter? Ayy)
I know
Wa-wa-watch yourself
Slide (Ayy)

Watch your step
Watch yourself, I know
Slide (Did I stutter? Ayy)
