Iggy Azalea, Alice Chater, Lola

loaded gun
that’s how she feels
hard as stone
she aims to kill
she hides her fears and burns it all
you can’t get even
you’ll be lost

I am saying Hey, Lola!
she can get a little jealous
oh, Loca
she can be a drama
but her soul is pure
downs in tears but keep on shining
just keep on shining
oh Lola, Lola, hey!
