Imagine Dragons, Take My Heart Away

wake up in 20 day
feeling in certain way
one more week
and end my therapy

want check a new..
I know it’s not ok
doctor don’t tell me
I, I already know

so
open up my mind
spoken up inside
I pick my distant memory
count to my pass
there’s nothing wrong with that
I just need some medicine

I just to …
I kjus kick you away

so run away
cause I feel too much
chemical that I am trying
Take My Heart Away
Take My Heart Away
run away
cause I am loosing touch
don’t know when I feel this much
Take My Heart Away
Take My Heart Away
