Jojo, Fuck Apologies (feat. Wiz Khalifa)

I ain't apologizing for shit
I do what I want,
And JoJo does too!

Saw it in your eyes when you said goodbye
You didn't even try,
So this time I don't care

And honestly I was just about to pick up the phone
And then I realized that I didn't do nothing wrong
You would even tell two lies to prove that you were right
Usually I'd go on and take the blame but not this time,
Not this time!

What you want from me?
I would say I'm sorry if I really meant it
Fuck apologies
I would say I'm sorry if I really meant it
I'm not perfect,
I got pride
That's not what it is this time
So fuck apologies
I would say I'm sorry if I really meant it
If I…, if I…, if I really meant it

I can't help that you, feel the way you do
Try not to get confused
Cause this time I don't care

And honestly I was just about to pick up the phone
And then I realized that I didn't do nothing wrong
Didn't do nothing wrong!

What you want from me?
I would say I'm sorry if I really meant it
Fuck apologies
I would say I'm sorry if I really meant it
I'm not perfect,
I got pride
That's not what it is this time
So fuck apologies
I would say I'm sorry if I really meant it

Ok., no apologizing
Ain't no way to take the things you did back or disguise it
Always wonder what I'm doing but that's TMI
Don't know what you got until it's gone, now you realize it
When I wasn't playing smart now I'm being wise
Finally I'm moving on and I don't need your lies
And it wasn't even tough cause I can see the signs
Now you're stop calling an [?] up if you need a ride

What you want from me?
I would say I'm sorry if I really meant it
Fuck apologies
I would say I'm sorry if I really meant it
I'm not perfect,
I got pride
That's not what it is this time
So fuck apologies
I would say I'm sorry if I really meant it
If I…, if I…, if I really meant it

I would say I'm sorry a long time ago

If I really meant it
