Jonas Brothers, Sucker

We go together
Better than birds of a feather, you and me
We change the weather,
I'm feeling heat in December when you're 'round me

I've been dancing on top of cars and stumbling out of bars
I follow you through the dark, can't get enough
You're the medicine and the pain, the tattoo inside my brain
And, baby, you know it's obvious

I’m a sucker for you
you say the world and I’ll go anywhere blindly
I’m a sucker for you
any road you take for all you know that you’ll find me
I’m a sucker for all the sublimal things
no one knows about you
about you, about you, about you
and you’re making the typical me
break my typical rules
it’s true
I’m a sucker for you

don’t complicated it
cause I know you and you know everything about me
I can’t remember all of the nights
I don’t remember when you’re around me

I've been dancing on top of cars and stumbling out of bars
I follow you through the dark, can't get enough
You're the medicine and the pain, the tattoo inside my brain
And, baby, you know it's obvious

I’m a sucker for you
you say the world and I’ll go anywhere blindly
I’m a sucker for you
any road you take for all you know that you’ll find me
I’m a sucker for all the sublimal things
no one knows about you
about you, about you, about you
and you’re making the typical me
break my typical rules
it’s true
I’m a sucker for you

I've been dancing on top of cars and stumbling out of bars
I follow you through the dark, can't get enough
You're the medicine and the pain, the tattoo inside my brain
And, baby, you know it's obvious

I’m a sucker for you
you say the world and I’ll go anywhere blindly
I’m a sucker for you
any road you take for all you know that you’ll find me
I’m a sucker for all the sublimal things
no one knows about you
about you, about you, about you
and you’re making the typical me
break my typical rules
it’s true
I’m a sucker for you
