Basia Kurdej-Szatan, Break My Heart (jako Dua

I've always been the one to say the first goodbye Had to love and lose a□hundred□million times Had to□get it wrong to know just□what I like Now I'm falling

You say my name like I have never heard before I'm indecisive, but, this time, I know for sure I hope I'm not the only one that feels it all Are you falling?

Center of attention You know you can get whatever you want from me Whenever you want it, baby It's you in my reflection I'm afraid of all the things you could do to me If I would've known it, baby

I would've stayed at home
'Cause I was doing better alone
But when you said, "Hello"
I knew that was the end of it all
I should've stayed at home
'Cause now there ain't no letting you go
Am I falling in love with the one that could break my heart?
Oh no, I was doing better alone
But when you said, "Hello"
I knew that was the end of it all
I should've stayed at home
'Cause now there ain't no letting you go
Am I falling in love with the one that could break my heart?

I wonder when you go if I stay on your mind Two can play that game, but you win me every time Everyone before you was a waste of time Yeah, you got me

Center of attention You know you can get whatever you want from me Whenever you want it, baby It's you in my reflection I'm afraid of all the things you could do to me If I would've known it, baby

I would've stayed at home
'Cause I was doing better alone
But when you said, "Hello"
I knew that was the end of it all
I should've stayed at home
'Cause now there ain't no letting you go
Am I falling in love with the one that could break my heart?
Oh no, I was doing better alone
But when you said, "Hello"
I knew that was the end of it all
I should've stayed at home
'Cause now there ain't no letting you go
Am I falling in love with the one that could break my heart?

Break my heart Break my heart Am I falling in love with the one that could break my heart?
