James Blunt, Don't Give Me Those Eyes

starting at you naked
hotel room in Vegas
I love you but I hate it
and we can’t tell anyone

take this love and break it
I don’t think I can take it
go back to him and fake it
don’t tell his what you’ve done

but when we’re caught in this seeing
and I taste your love
and I taste your love
whatever the meaning
well it’s not enough
no it’s not enough
I want to believe in
in a thing called lobe
in a thing called love
caught in this feeling
in this feeling /2x

don’t give me those eyes cause you know me
and I can’t say no to ou
we can’t have each other even if we wanted o
in another life, darling
I’ll do anything to be whit you
we can’t have each other even if we wanted to

don’t give me those eyes
don’t give me those eyes

cross your heart and swear it
hotel room in Paris
kills me that you’re married
cause we know this should be done

but when we’re caught in this seeing
and I taste your love
and I taste your love
whatever the meaning
well it’s not enough
no it’s not enough
I want to believe in
in a thing called lobe
in a thing called love
caught in this feeling
in this feeling /2x

don’t give me those eyes cause you know me
and I can’t say no to ou
we can’t have each other even if we wanted o
in another life, darling
I’ll do anything to be whit you
we can’t have each other even if we wanted to

don’t give me those eyes
don’t give me those eyes
don’t give me those eyes
don’t give me those eyes
don’t give me those eyes
don’t give me those eyes
don’t give me those eyes
don’t give me those eyes

don’t give me those eyes cause you know me
and I can’t say no to ou
we can’t have each other even if we wanted o
in another life, darling
I’ll do anything to be whit you
we can’t have each other even if we wanted to

don’t give me those eyes
don’t give me those eyes
don’t give me those eyes
