

# Bastille, Send Them Off

- It was a slight on my honor, so he deserved it.
- But we're talking about the most brilliant mind this world has ever seen.&quot;

I've got demons running round in my head  
And they feed on insecurities I have  
Won't you lay your healing hands on my chest?  
Let your ritual clean  
Soak the ropes with your holy water  
Tie me down as you read out the words

Set me free from my jealousy  
Won't you exorcise my mind?  
Won't you exorcise my mind?  
I want to be free as I'll ever be  
Exorcise my mind  
Help me exorcise my mind

Desdemona, won't you liberate me?  
When I'm haunted by your ancient history  
Close these greed eyes and watch over as I sleep  
Through my darkest of dreams  
Be the power to compel me?  
Hold me closer than anyone before

Set me free from my jealousy  
Won't you exorcise my mind?  
Won't you exorcise my mind?  
I want to be free as I'll ever be  
Exorcise my mind  
Help me exorcise my mind

I should be thinking about nothing else when I'm with you, with you,  
/2x

- Your mind exists somewhere altogether different. It lives in a world where feelings simply cannot

Set me free from my jealousy  
Won't you exorcise my mind?  
Won't you exorcise my mind?  
I want to be free as I'll ever be  
Exorcise my mind  
Help me exorcise my mind

Help me exorcise my mind  
Won't you exorcise my mind?
