Camila Cabello, Sangria Wine (feat. Pharrell Willi

[Chorus: Pharrell Williams]
When she said she want some, I drink up on Papa Doble
Then she so relentless so nothing can't stop her
Never liked the city but she swear she's the darling
'Cause it's so awesome how she move her body
She makes the sangria wine (woo), the sangria wine (uh-huh)
Moving side to side (woo), front and behind (uh-huh)
The sangria wine (woo), the sangria wine (uh-huh)
The sangria wine (woo), the sangria wine (uh-huh)

[Verse 1: Camila Cabello]
Move my body like it is a pipe
Tutti Frutti, is all that I got
Counter-clockwise, I'm mixin' it up (mixin' it up)
Sip it, sip it, I'll bet that you'll blush

[Pre-Chorus: Camila Cabello]
Yo— Yo— Yo—
Yo sé que tú quieres mi cuerpo esbelto
Y quieres controlar mi mente experta
Y todo el mundo quiere ser dueño de ella
Pero nadie puede, ¡ay!

[Chorus: Pharrell Williams & Camila Cabello]
When she said she want some, I drink up on Papa Doble
Then she's so relentless so nothing can't stop her
Never liked the city but she swear she's the darling (c'mon girl, let's go)
'Cause it's so awesome how she move her body (ow)
She makes the sangria wine (woo), the sangria wine (uh-huh)
Moving side to side (woo), front and behind (uh-huh)
The sangria wine (woo), the sangria wine (uh-huh)
The sangria wine (woo), the sangria wine, yeah (uh-huh)

[Verse 2: Camila Cabello]
Roll around like, the fruit at the top (uh)
In Miami, where winters are hot

[Pre-Chorus: Camila Cabello]
Yo— Yo— Yo—
Yo sé que tú quieres mi cuerpo esbelto
Y quieres controlar mi mente experta
Y todo el mundo quiere ser dueño de ella
Pero nadie puede, ¡no pueden!

[Chorus: Pharrell Williams & Camila Cabello]
When she said she want some, I drink up on Papa Doble
Then she so relentless so nothing can't stop her
Never liked the city but she swear she's the darling
'Cause it's so awesome how she move her body
She makes the sangria wine (woo), the sangria wine (uh-huh)
Moving side to side (woo), front and behind (uh-huh)
The sangria wine (woo), the sangria wine (uh-huh)
The sangria wine (woo), the sangria wine, yeah (uh-huh)

[Outro: Camila Cabello]
¿Qué, qué?
