Kali Uchis, Dead To Me

I don’t know what you been told
see, I am not your enemy
but if there’s one thing that I know
is that you ain’t a friend to me
so don’t come for me unless I send for you
know you’re dead to me
just don’t came for me
I won’t send for you
know you’re dead to me
you’re dead to me

you’re dead to me
you’re obsessed, just let me go
you’re dead to me
I’m not somebody you know
you’re dead to me
could you just leave me alone?
you’re dead to me

what you say to me?
I can’t hear a thing
try to talk some sense to myself
but I won’t listen
I’m what God made of me
don’t need to pretend
it’s ok. to disagree
we don’t have to be friends
see, you think you got problems with me?
but baby I don’t even think about you
you’re mad at everything I do
but what are you up to?
I haven’t a clue
cause baby you’re dead to me
why can’t I be dead to you?
I think that we both know the truth

you’re dead to me
you’re obsessed, just let me go
you’re dead to me
I’m not somebody you know
you’re dead to me
could you just leave me alone?
you’re dead to me
