Kali Uchis, MIAMI (FEAT. BIA)

I can feel it in the air
Miami
How you pay off all them bills
oh, her panties
when I was just a little girl
has my sight set on a bigger world
got myself a Visa
And started catching flights to where the grass is greener

live fast and never die
I'm moving at the speed of light
I'll take your money
raise the price
blow up the spot like dynamite
live fast and never die
I'm moving at the speed of light
I'll take your money
raise the price
blow up the spot like dynamite

ain't here to be cute
ain't here to impress
you know why I'm calling
I'm here to collect
they look at me funny when I write a check
cause they assumed I would be paying in sex
and I was looking for a job and the I found one
he said he'd want me in his video like Bound 1
but why would I be Kim
in the land of opportunity and pal, trees

live fast and never die
I'm moving at the speed of light
I'll take your money
raise the price
blow up the spot like dynamite
live fast and never die
I'm moving at the speed of light
I'll take your money
raise the price
blow up the spot like dynamite
