Justice, FIRE

Love has made me reason
Love has made me seasoned
It's a game of giving,
Nothing more!
Love has made me reason
Love has made me seasoned
Conflicting opens in the dark
Love has made me reason
Love has made me seasoned
It's a game of giving,
Nothing more!
Love has made me reason
Love has made me seasoned
Conflicting opens in the dark

These nights are full of fire
Fire!
These nights are full of fire
Fire!
Feeling the fever taking over
Fire!
