Cardi B, I Like It (ft. Bad Bunny & J Balvin)

Now I like dollars
I like diamonds
I like stunting
I like shining
I like million dollar deals
where my pen?
bitch, I'm singing
I kicked those Balanciagas, the ones that look like socks
I like going to the jewel
I put rocks all in my watch
I like texts from my exes when they wabt a second chance
I like proving niggas wrong
I do what the say I can't
they call me Cardi Bardi, banging body
Spicy mami, hot tamale
hotter than a Somali
fur coat, Ferrari
hop out stu;
jump in the coupe
they tripping on top of the roof
flexing on bitches as hard as I can
eating halal driving the lam'
told that bitch I;m sorry though
Bout my coins like Mari
They call me Cardi B
I run this shit like cardio
Damn!
