Carly Rae Jepsen, It’s Not Christmas Till Somebo

It’s Not Christmas
It’s Not Christmas
It’s Not Christmas Till Somebody Cries

Everybody made it home foe Christmas Eve
Tried to keep it cool around the Christmas tree
Every year we sing a little song to survive
That It’s Not Christmas till somebody cries

My boyfiend is a vegan
So they fed him fish
My uncle made it worse, by talking politics
I had a few opinions, magig have started a fight
Well, It’s Not Christmas till somebody cries

It’s Not Christmas
Till we break down in tears
It’s Not Christmas
It’s the best time of the year
