

Bebe Rexha, You Can't Stop The Girl

they're tryna shoot down angels
they're tryna pull their
wings off
so they can't fly

and , but she's so brave tho
just like a tornado
she's taking us by storm

you can't stop the girl from going
you can't stop the world from knowing
the truth will set you free
you can't stop the girl from going
you can't stop the world from knowing
the truth will set you free
you can't stop the girl

they're tryna take your voices
they're tryna ,take our choices
so we scam
loud /3x

I know you feel the lightening
and its's so exciting
so here we come

you can't stop the girl from going
you can't stop the world from knowing
the truth will set you free
you can't stop the girl from going
you can't stop the world from knowing
the truth will set you free
you can't stop the girl
you can't stop the girl
you can't stop the girl
no!, you can't stop the girl

I know you feel the lightening
and its's so
exciting
so here we come
