Cashmere Cat, Trust Nobody (ft. Selena Gomez,

I'm a tell you how I want it
Baby, tell me how you need it
Hope you're good at keeping secrets
Say: “You're good at keeping secrets”
See, I don't trust nobody
I know you don't trust nobody
Say: “Only I can touch your body”
So baby you know, I know, you know, I don't
You know I don't trust nobody
You don't trust nobody
Say: “Only I can touch your body”
Yes, only I can touch your body
Cause only you know, I know, you know, I don't
You know I don't trust nobody

Baby, come through on a late night creep
Pull up on you like, beep, beep, beep, beep, beep
Lying down know I'm in the back
Tinted windows sittin' in the back seat
You know I'm a freak right?
Hit you on a free night
I know what you keep tight
You don't wanna leave, right?
You don't wanna stay a little late?
I'll give you that tingle in your waist
Hit you when you need a little taste
Better watch my back

I'm a tell you how I want it
Baby, tell me how you need it
Hope you're good at keeping secrets
Say: “You're good at keeping secrets”
See, I don't trust nobody
I know you don't trust nobody
Say: “Only I can touch your body”
So baby you know, I know, you know, I don't
You know I don't trust nobody
You don't trust nobody
Say: “Only I can touch your body”
Yes, only I can touch your body
Cause only you know, I know, you know, I don't
You know I don't trust nobody

I pull up in that Jag, I'm not just anybody
I'm tryna holla back, even though I know, you know
I don’t trust nobody, I don't trust nobody
But if I touch your body, we'll, get right, right in your lobby
Come on down, let's get down, I'm with the shit
Are you down?
Cause I'm down, when shit get lit
And you got a body like Selena in them jeans I wanna hit
I'm so open, gone and talk that shit

You must be somebody, cause I don't trust nobody
But if I touch your body, I might trust somebody else
/4x

I'm a tell you how I want it
Baby, tell me how you need it
Hope you're good at keeping secrets
Say: “You're good at keeping secrets”
See, I don't trust nobody
I know you don't trust nobody
Say: “Only I can touch your body”

So baby you know, I know, you know, I don't
You know I don't trust nobody
You don't trust nobody
Say: “Only I can touch your body”
Yes, only I can touch your body
Cause only you know, I know, you know, I don't
You know I don't trust nobody
