Life of Dillon, Sex for Breakfast

I ordered sex for breakfast
Texting all my exes
On some Kanye West shit
Good morning

I don’t warry about tomorrow
Still drinking from the bottle
I know my time is borrowed
I spend it all right now
I don’t have a lot of feelings
I ain’t living for the weekend
No, I ain’t waiting for evening
I want it all right now! :)

I ordered sex for breakfast
Texting all my exes
On some Kanye West shit
Good morning
Me, myself and Molly
Surfing on the body
Roll one for the Marley
No, worry!

cdn soon :)
