Little Mix, Boy

[Jesy]:
Do you remember what he said?

[All]:
I do. He told you he'd never

[Jesy]:
ever hurt you
Oh, here we go again
Another

[All]:
breakup, make up.
When you gonna

[Jesy]:
wake up?

[Leigh]:
I'm gon' be the one to call him out

[Jade]:
Look how many times he let you down

[Perrie]:
When's he gonna learn to be a real man?

[Leigh-Anne]:
I'll be the one to say you're beautiful

[Jade]:
One more word, he never said at all

[Perrie]:
I'm just sayin' you need to go forget
[All]:
that boy!
[Perrie]:
Forget
[All]:

[Perrie]:
I know a
[All]:
bad boy ain't good enough for you.
[Perrie]:
You're holding back
[All]:
tears in your eyes.
Bad boy wanna fight
[Perrie]:
But I never see him fighting for you!
He'll never
[All]:
realize what he's got until he's gone.
And he'll lose you forever.
Girl, you'll be alright, forget that boy!

[Jade]:
Girl, don't you know you set the tone?
I'll make you stop that, fight back
he won't get away with that!
Look who's ringing up your phone.
You wanna call back, leave that

ain't nobody got time for that!

[Leigh-Anne]:
It's funny how the tables turn.
When he's the one who's left at home.

[All]:
You'll find your own real man and go
[Perrie]:
forget
[All]:
that boy!
[Perrie]:
Forget
[All]:

[Perrie]:
See what you're worth, girl!
Look what you've got!
He knows you're out of his league
if he likes it or not!
I know what you're worth, girl!
You know what you got!
We know you're out of his league
if he likes it or not!

[Leigh-Anne]:
Likes it or not!

[All]:
Forget that boy, forget that boy!
I know a bad boy ain't good enough for you!
You're holding back tears in your eyes.
