Little Mix, Down & Dirty

[Jesy]
I'm tasty, delicious, I'm rough around the edges
My mind is obsessive, my flex is aggressive
Glad I didn't listen to my teachers
Teachers teach you not to be a dreamer

[Leigh-Anne]
I don't mind offending, I ain't 'bout pretending
Them haters be hating, my fashion be trending
Now I'm believer, check out the stamps on my Visa
We international divas, but I started out making your pizzas

[Pre-Chorus: Perrie]
Yeah, if we only got one night
Forget about the world outside
Put your hands up real high
**** {Fuck} that

[Chorus: Leigh-Anne]
Get down and dirty
Get down and dirty
I know you heard me
Get down and dirty
(Everybody get down)

[Jade]
I don't ask the mirror, I'm know I'm the fairest
I'm bringin' the fire, so call me Daenerys
They wanna know who I'm sneakin' into my place
They don't need to know, no-one's business how I play

[Pre-Chorus: Perrie & Leigh-Anne]
Yeah, if we only got one night
Forget about the world outside
Put your hands up real high
**** {Fuck} that

[Chorus: Leigh-Anne]
Get down and dirty
Get down and dirty
I know you heard me
Get down and dirty
(Everybody get down)
Get down and dirty
I know you heard me
Get down and dirty
(Everybody get down)

[Bridge]
Four bad, uh, {bitches} make way cause we approachin'
Plenty room in the Royce if you're rollin'
If you wanna go fast say "Yeah"
[Bridge: Perrie]
Put your hands in the air
**** {Fuck} that

[Chorus: Leigh-Anne]
Get down and dirty
Get down and dirty
I know you heard me
Get down and dirty
Get down and dirty
I know you heard me
Get down and dirty

(Everybody get down)
