Lady GaGa, Stupid Love

You’re the one that I’ve been waiting for
Gotta quit this crying
Nobody’s gonna heal me if I don’t open the door
Kinda hard to believe (Gotta have faith in me)

Freak out, freak out, freak out, freak out (Look at me)
Get down, get down, get down, get down (Look at me)
Freak out, freak out, freak out, freak out
Look at me now

‘Cause all I ever wanted was love hey yeah yeah (Ooh ooh), hey yeah yeah (Ooh ooh), hey yeah y

all I ever wanted was love hey yeah yeah (Ooh ooh), hey yeah yeah (Ooh ooh), hey yeah yeah

I want your stupid love, love
I want your stupid love, love (Oh…)

Now it’s time to free me from the chain
I gotta find that peace, is it too late
Or could this love protect me from the pain?
I would battle for you (Even if I break in two)

Freak out, freak out, freak out, freak out (Look at me)
Get down, get down, get down, get down (Look at me)
Freak out, freak out, freak out, freak out
Look at me now

‘Cause all I ever wanted was love hey yeah yeah (Ooh ooh), hey yeah yeah (Ooh ooh), hey yeah y

I want your stupid love, love
I want your stupid love, love (Oh…)

I don’t need a reason (Oh)
Not sorry, I want your stupid love
I don’t need a reason (Oh)
Not sorry, I want your stupid love
Hey yeah, hey yeah

I want your stupid love, love (Oh, oh, woo)
We got a stupid love, love (Oh…)
I want your stupid love, love (Oh…)
I want your stupid love, love...
