Loren Allred, Never Enough (piosenka z filmu Kró

I'm trying to hold my breath
Let it stay this way
Can't let this moment end
You set off a dream in me
Getting louder now
Can you hear it echoing?
Take my hand
Will you share this with me?
'Cause darling, without you

All the shine of a thousand spotlights
All the stars we steal from the night sky
Will never be enough
Never be enough
Towers of gold are still too little
These hands could hold the world but it'll
Never be enough /2x

For me
Never, never /2x
Never, for me
For me
Never enough /3x
For me /3x
