Lukas Graham, Love Someone

there are days
i wake up and i pinch myself
you’re with me
not someone else
and I am scared
yeah, I’m still scared
that it’s all a dream

cause you still look perfect as days go by
even the worst ones
you make me smiles
I’d stop the world if it gave us time

cause when you love someone
you open up your heart
when you love someone
you may grow
if you love someone
and you’re not afraid to lose ‘em
you’ll probably never love someone like I do
you’ll probably never love someone like I do

when you say
you love the way I make you feel
everything becomes so real
don’t be scared
no, don’t be scared
cause you’re all I need

cause you still look perfect as days go by
even the worst ones
you make me smiles
I’d stop the world if it gave us time

cause when you love someone
you open up your heart
when you love someone
you may grow
if you love someone
and you’re not afraid to lose ‘em
you’ll probably never love someone like I do
you’ll probably never love someone like I do

all my life
I thought it’d be hard to find
the One till I found you
and I find it bittersweet
cause you gave me something to lose

cause when you love someone
you open up your heart
when you love someone
you may grow
if you love someone
and you’re not afraid to lose ‘em
you’ll probably never love someone like I do
you’ll probably never love someone like I do
