

Beyoncé, 6 Inch (feat The Weeknd)

(...)

Six inch heels she walked in the club like nobody's business
Goddamn she murdered everybody and I was her witness

She's stack money, money, every you go (you know!)
You know, pesos out of Mexico
She got the mula, commas and them decimals
She don't gotta give it up coz she professional

Every fear, every nightmare
Every one ever has!

She's stack money, money, every she goes
You know, pesos out of Mexico
She got the mula, commas and them decimals
She don't gotta give it up coz she professional

She stack her money
She's stack money, money, every she goes
She got that mula, lay down that Saki straight from Tokyo
She got them commas and them decimals
She don't gotta give it up cause she professional
