Lil Baby, Forever (Feat. Lil Wayne)

who made this beat?
twisted genius, baby!

if I sell my soul
I'll take it back
I am slibme forever
I put bust down on the whole gang
e gon' shine together
she got rollies on her timepiece
when she step out
she be flashin
whenever we get alone
I give her half and she get nasty
my jeans is special edition
Amiri send me these pants
and ow everybody be tough
is he gangster ot he just actin
ain't got no card
don't do no fraud
seem like all of my frbitches plastic
know you niggas don't want smoke
let's see who run it up the fastest
keep that fire wen I am cold
I can't let them catch m,e lackin'
I don't know if they think I am sweet bcause I am rappin
but fuck 'em
we get active
get active
