MaRina, About Love (piosneka z filmu To All The

started in the strangest way
didn’t see it coming
swept up in your hurricane
wouldn’t give it up for nothing
now , I am all caugh up in the highs and the lows
it’s a shock to my system
I don’t wanna run away so I stay

me head gets messy when I try to hide
the things I love about to I n my mind

I don’t really know a lot about love
a lot about love
a lot about love
but you’re in my head
you’re in my blood
and it feels so good
t hurts so much
I don’t really know a lot about love
a lot about love
a lot about love
but you’re in my head
you’re in my blood
and it feels so good
t hurts so much
it feels so good
t hurts so much

but you’re in my head
you’re in my blood
and it feels so good
t hurts so much
it feels so good
t hurts so much

Think abut the time it took for our paths to cross
read me like an open book
I was found and lost
now I am all caught up in the highs and the lows
it’s a shock to my system
I know that our love was fate, so I stay

me head gets messy when I try to hide
the things I love about to I n my mind

I don’t really know a lot about love
a lot about love
a lot about love
but you’re in my head
you’re in my blood
and it feels so good
t hurts so much
I don’t really know a lot about love
a lot about love
a lot about love
but you’re in my head
you’re in my blood
and it feels so good
t hurts so much
it feels so good
t hurts so much

but you’re in my head
you’re in my blood

and it feels so good
t hurts so much
it feels so good
t hurts so much
