Maroon 5, Wait

[Verse 1]
Dirty looks from your mother
Never seen you in a dress that color, no
It's a special occasion
Not invited but I'm glad I made it

[Pre-Chorus]
Oh, let me apologize
I'll make up, make up, make up, make up for all those times
Your love, I don't wanna lose
I'm beggin', beggin', beggin', beggin', I'm begging you

[Chorus]
Wait, can you turn around, can you turn around?
Just wait, can we work this out, can we work this out?
I'll just wait
Can you call me please? Cause I wanna be with you
Oh, wait, can you turn around, can you turn around?
Just wait, can we work this out, can we work this out?
Just wait
Can you call me please? Cause I wanna be with you

[Verse 2]
Can we talk for a moment?
Got these feelings that I'm tired of holding, oh
Wasn't tryna get wasted
I needed more than three or four to say this

[Pre-Chorus]
Oh, let me apologize
I'll make up, make up, make up, make up for all those times
Your love, I don't wanna lose
I'm beggin', beggin', beggin', beggin', I'm begging you

[Chorus]
Wait, can you turn around, can you turn around?
Just wait, can we work this out, can we work this out?
I'll just wait
Can you call me please? Cause I wanna be with you
Oh, wait, can you turn around, can you turn around?
Just wait, can we work this out, can we work this out?
Just wait
Can you call me please? Cause I wanna be with you

[Bridge]
You say I'm just another bad guy
You say I've done a lot of things I can't undo
Before you tell me for the last time
Im beggin', beggin', beggin', beggin' you

[Chorus]
Wait, can you turn around, can you turn around?
Just wait, can we work this out, can we work this out?
I'll just wait
Can you call me please? Cause I wanna be with you
Oh, wait, can you turn around, can you turn around?
Just wait, can we work this out, can we work this out?
Just wait
Can you call me please? Cause I wanna be with you
