Beyoncé, Be Alive (piosenka z filmu King Richard

It feels so good to be alive Got all my family by my side Couldn't wipe this Black off if I tried

I got a milion miles on me They want to see how far i go The path was never paved with gold We worked and built this on our own

And cna't nobody knock it if they tried
This is hustle personified
Look ow we've been fighting to stay alive
So when we win
We will have prode
Do you know how much we haeve cried?
How hard we had to fight?

I got a milion miles on me They want to see how far i go The path was never paved with gold We worked and built this on our own

And cna't nobody knock it if they tried This is hustle personified Look ow we've been fighting to stay alive So when we win We will have prode Do you know how much we haeve cried? How hard we had to fight?

It feels so good to be alive
Got all my family by my side
Couldn't wipe this
Black off if I tried
That's why i lift my head with pride
Now we're sitting on the top of the world again!
