Martin Solveig, Places (ft. Ina Wroldsen)

I come back to the places where we found us
There’re somewhere between our bad lust

And I could go anywhere, anywhere is home
Yes, I could go anywhere, never feel alone
I come back to the places where we found us

When I'm not with you, I'm not me
Nothing ever feels good
When I'm not with you
I'm not in control of what I do,
It's not me, when I'm not with you,
I'm not me
Nothing ever feels good
When I'm not with you
I'm not in control of what I do,
It's not me
When I'm not with you
