Clean Bandit & Topic, Drive (feat. Wes Nelson)

I, I never thought I’d be your type
I, I, I
On my mind, the kinda love I can’t describe
I, I, I

You got me running
Away form our history
And through the darkness
Oh i can see ou and me

When you find a love that’s right
You can drive all night
Drive all night
Do what makes you feel alive
You can drive all night
Drive all night
Cos the road is calling
Over again
Tohe teh morning
Right to te end now
When you find a love that’s roght
You can drive all night
Drive all night

I, I never thought I’d be your type
I, I, I
On my mind, the kinda love I can’t describe
I, I, I
