

Beyoncé, Before I Let Go

you made me happy
this you can bet
you split right beside me
and I won't forget

and I really love you
you should know
I want to make sure
I'm right, girl
before I let go

no we've had our good time
that's what they say
we've hurting each other
girl, it's a shame

I won't be foolish
I want to know
I want to make sure
I'm right, girl
before I let go
