

Beyoncé, Daddy Lessons

Come into this world
Daddy's littel girl
And daddy made a soldier out of me
Daddy made me dance
And daddy liked his whiskey wuhit his tea

And we rode motocycles
Blackjack, classic vinyl
Tough gir lis waht i had to be
He said: Take care of your mother
Watch out fo your sister
And that's whan he gave me

With his gun
With his head held high
He told me not to cry
My daddy said: Shoot
My daddy said: Shoot
With his right hand on his riffle
He swore it on a bibble
My daddy said: Shoot
My daddy said: Shoot

He held in his arms
Ad he taught me to be strong
He told me when he's gone
Here's what you do:
When trouble comes town
And men like me come around
My daddy said: Shoot
My daddy said: Shoot
