# Cypis / Mokra Jolanta, Don't go breaking my hear

Don't go breaking my heart
love me ever and ever
Don't go breaking my heart
love me ever and ever

i am your fucking bitch
to mi kur* ostro kwicz
every day, everybody
każdy na twój widok blady
and i know who you are
gacie bym ci dziwko zdarł
i have friends, i have work
przestań piszczeć mi jak jork
