MGMT, Nothing To Declare

Tekst piosenki 'Nothing To Declare' z albumu 'Loss Of Life' od MGMT (premiera w lutym 2024r.).

Nothing to declare
Not in the bags under my eyes
I can see you standing there
But still there’s nothing to reply
The world’s my fin de claire
My Spanish castle in the sky
I can see it floating there
But still there’s nothing to define

If I’m worlds away
I’m Holding mountains in my hands
Starlight ain’t never gonna let me down
Until I stumble like a drunkard back to town
Then I end up where you are
Keeping the sanctuary warm
Don’t ask me who I am
Don’t ask me where I was

Nothing to declare
Not in the valise of my mind
All the documents are there
But still there’s something to decide?
The world’s my fin de claire
the waters beckon me to dive
I can tell the pearl’s in there
and still there’s nothing I can find

If you let me go
I’ll fall as far I can fall
Starlight ain’t never gonna bring me home
Until I wake up like a baby in the womb
Then I’ll wonder who you are
Keeping the conversation light

Don’t ask me how I know
Don’t ask me how I know
Don’t ask me how I know
Don’t ask me how I know
