Michael Bublé (Michael Buble), Love You Anymor

just because i Wander around the place we would go
hoping that I'd run into on last time
just because I never took your picture off my phone
doesn't mean that you're still on my mind

just because I accidentally slipped and said your name
well I heard your song, it makes me insecure
just because I know we'll never ever feel the same
doesn't mean I love you anymore

am I lying to myself again
when I say you're not the best I've ever had
am I lying to myself again
when I say that I'm not missing you so bad

just because I'm on my knees and swearing I would change
and I'd di anything to hear you say: I'm yours!
just because I know I'll never ever feel the same
doesn't mean I love you anymore

am I lying to myself again
when I say you're not the best I've ever had
am I lying to myself again
when I say that I'm not missing you so bad

just because I'm on my knees and swearing I would change
and I'd di anything to hear you say: I'm yours!
just because I know I'll never ever feel the same
doesn't mean I love you anymore, more
doesn't mean I love you anymore
doesn't mean I love you anymore
