# Little Mix,  If I Ain't Got You / Empire State Of Min

(Tulisa)
Some people live for the fortune.
Some people live just for the fame.
Some people need three dozen roses.
Cos that's the only way to prove you love them.

(All)
Hand me the world on a sliver platter.
And what good would it be.
With no one to share.
With no one who truly cares, for me.
Some people want it all.
But I don't want nothing at all.
If it ain't you baby.
If I ain't got you baby.
Some people want daimond rings.
Some just want everything.
But everything means nothing.
If I ain't got you.

Little Mix Little Mix

(All)
One hand in the air for the big city .

(Tulisa)
Street lights, big dreams all looking pretty.

(All)
No pleace in the world that can compare.
Put your lighters in the air, everybody say
In New Yooork, concrete jungle where dreams are made of.
There's nothing you can't do.
Now you're in New Yooork, yeah
These streets will make you feel brand new.
Big lights will inspire you.
Let's hear it for New York, New York, New Yoooork.
