DARIA, Feelings (Daria Marx)

Told you I was doing fine
You don’t have to be the one
To always hold me when I’m feeling down

You know it ‘aint easy
When I’m thinking I get dizzy
But my brain is something
I can naver …

We had our way, ups and downs
Still you always stick around
Even when I’m like a child
Only then I find a courage to speak out

I never tell you I got feelings
I never tell you I got feelings
‘Cause you make me so shy
You do
You do

I never tell you how I’m missing
I never tell you I’m missing you
‘Cause you make me so shy
You do
You do
