DARIA, LOVE BLIND

What's on your mind
hard to see
Won’t you let me inside?
I wanna dive into your ocean
We can hide
I am not afraid of the emotion
Do what you like
Talk to me
What's on your mind

Baby i don’t mind
Cos i like fly
It’s jus you and i
I will always go blind
I just wanna know
All the secrets of your crazy mind

7 weeks
You by my side
I don’t know the reason why?
You only call me in high
To tell me i am just so fine
Talk to me
What's on your mind

Baby i don’t mind
Cos i like fly
It’s jus you and i
I will always go blind
I just wanna know
All the secrets of your crazy mind
